### *Principal's Message*

The year 2012-2013 marked the 50 years of establishment of Hindi Vidya Prachar Samiti's Ramniranjan Jhunjhunwala College of Arts, Science and Commerce. To mark this achievement, numerous events were conducted by the college including multiple seminars, a refresher course and various departmental functions. The golden jubilee celebrations culminated in a visit and an inspiring talk by the Vice President of India, Honourable Mohammad Hamid Ansari.

The five glorious decades of dedication to education have seen the college ascend to greater heights in providing quality education. We were presented the 'Best College Award' by the University of Mumbai in recognition of our valuable academic and overall achievements, and participation in the University system to achieve overall excellence. Ours is an ISO 9001:2008 certified institution for quality management systems. We have been awarded the trophy of Performance Excellence in the field of education by the IMC Ramakrishna Bajaj National Quality Award. This year our college has been adjudged the Best College at the district level by the Government of Maharashtra for our contributions to empower girl students under the scheme of "Jaagar Jaanivancha". We have maintained the position of being among the top ten colleges in sports in the University of Mumbai. This year the Indus Foundation has awarded us the Certificate of Excellence for Education.

We acknowledge the contributions of the management, all teaching and non-teaching staff members, students, parents and alumni who have helped us in our efforts to impart quality education, and who have contributed wholeheartedly in the preparation of this reaccreditation report.
