A student is tagged with this unique code for examination, along with his subjects. The data is linked to the examination section for mark sheets, results and provisional passing certificate from UG to PG. Online student enrolment and eligibility for entry level UG and PG classes and generation of transfer certificate online is done through MKCL portal. The student attendance and SMS alerts are sent through the online services of FRUGAL solutions wherein the Identity card which have RFID is used for marking attendance and reports are generated online. The library and Information services are automated using SOUL software. Books being bar coded enables easy stock. Online examination solutions are provided by Tech catalyst. Employers can verify the student documents like mark sheets online through e verify. Placements are managed online through calyx pod. Project management to a certain extent is done through Trello. Accounts are managed through Tally. Payroll management is done through Sensys. Salaries are generated online through HTE Sevarth a Maharashtra Government Initiative.**

1.4 – Feedback System

1.4.1 – Whether structured feedback received from all the stakeholders.

Students	Yes
Teachers	Yes
Employers	Yes
Alumni	Yes
Parents	Yes

1.4.2 – How the feedback obtained is being analyzed and utilized for overall development of the institution? (maximum 500 words)

Feedback Obtained
A structured feedback is obtained from students, teachers, employers, alumni and parents on curriculum. Since more than 75 parents are not educated they were not able to provide response however they responded saying that the course content enabled their wards to be employable. The feedback has been analysed and is available on the website. Action taken: The feedback which has been analysed has been used in curriculum reforms.

CRITERION II – TEACHING- LEARNING AND EVALUATION

2.1 – Student Enrolment and Profile

2.2 – Catering to Student Diversity

2.2.1 – Student - Full time teacher ratio (current year data)

Year	Number of students enrolled in the institution (UG)	Number of students enrolled in the institution (PG)	Number of fulltime teachers available in the institution teaching only UG courses	Number of fulltime teachers available in the institution teaching only PG courses	Number of teachers teaching both UG and PG courses
2018	4995	631	111	0	86

2.3 – Teaching - Learning Process

2.3.1 – Percentage of teachers using ICT for effective teaching with Learning Management Systems (LMS), E-learning resources etc. (current year data)

Number of Teachers on Roll	Number of teachers using ICT (LMS, e-Resources)	ICT Toolsand resources available	Number of ICT enabled Classrooms	Numberof smart classrooms	E-resources and techniques used
111	100	56	33	3	6

2.3.2 – Students mentoring system available in the institution? Give details. (maximum 500 words)

Looking at the demography of the students mentoring is an important aspect of campus life. Student who take admission are made to feel secure in all aspects. Members of teaching and non teaching staff maintain a very harmonious relationship with the student so college becomes a home away from home. In view of the large student number and students offering more than one subject at the first and second year level mentoring is done in groups. In addition there is a professional counsellor available for students to discuss personal sensitive issues and get timely help. The departments have special mentoring programs at the final year level since the students have specialisation and have issues related to career choice, time management, concentration, how to enjoy studying etc. So departments have give special names to the mentoring system eg. "Shikhar" Economics dept, "Sunflower" Botany Dept, "MAITRA" Chemistry department etc.

Number of students enrolled in the institution	Number of fulltime teachers	Mentor : Mentee Ratio
5626	111	25:1

2.4 – Teacher Profile and Quality

2.4.1 – Number of full time teachers appointed during the year

CRITERION VI – GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 – Institutional Vision and Leadership

6.1.1 – Mention two practices of decentralization and participative management during the last year (maximum 500 words)
• **The entire function of the college is based on two pillars of trust and participative management. We firmly believe in empowering the members of teaching and non teaching staff and are also decision makers as and when required. The Principal is ably supported by four Vic e Principal , Head of the Departments, Senior and new recruits. Two practices of decentralisation and participative management during the last year are as follows: • Every department has its own Board of studies which is constituted as per UGC norms the curriculum designed is approved by appropriate statutory body and implemented by the departments which chalks out the teaching plan and implementation of the curriculum . Additionally to develop global competency the departments offer electives with extra credits which are designed by academicians. Teachers ensure that social and ethical values are also imparted through interdisciplinary courses. The members of non teaching staff participate effectively in realisation of these goals. One of the measurement of the course outcomes is the evaluation process which is planned and executed meticulously by the combined efforts of the subject teachers, examination committees comprising of teaching and non teaching staff who ensure smooth, ethical and transparent mechanism of evaluation. The open house for students is another excellent example of participatory management where it was possible for every learner to see his or her answer book without hassle. • The entire working of the Institution is through several committees which have members of teaching, non teaching staff and students. One such committee is the Library advisory committee which advises on the purchase of books and journals in the library. In addition they also advice on the various services being offered by the library like inspiring readers, book review through book talks, training of non teaching staff to move towards a digital world, providing information to readers on new arrivals, interlibrary loan etc. All these are possible only due to participatory management**

6.1.2 – Does the institution have a Management Information System (MIS)?

Yes

6.2 – Strategy Development and Deployment

6.2.1 – Quality improvement strategies adopted by the institution for each of the following (with in 100 words each):

Strategy Type	Details
Curriculum Development	**Focus of curriculum development has been on imparting skillbased knowledge and learning beyond books. All departments have "MentorMantee" system where student program is mentioned by teachers. Field trips, Internship, excursions are a part of science curriculum which help students to learn by observations. For commerce and arts students industrial visits, enhance student ability of learning observations. Teachers are encouraged to prepare curriculum modules through POGIL, MOOCS, PPT etc. Syllabus are upgraded on yearly basis an updated by introducing in curriculum topic like Cyber security, Ethical hacking, Programming with Python, Artificial Intelligence, Climate change, Bio**

		prospecting. DNA barcoding, IPR etc. These modules are made available in college library for 'open access' to students and teachers. All curriculum designed are learning outcome based
Teaching and Learning		All departments ensured that teaching techniques employed are learner centric. Experimental learning is ensured by providing handson training to students during practical session. Group work, role play, case studies, debates, seminars, presentations by students makes teaching learning more effective. All departments organize guest lectures including eminent scientist and industrialists. It not only provides exposure to students to industrial practices but also bridges gap between industrial academics. Interdepartmental collaborative activities promote participatory learning. Students are given projects to promote skills of planning, organization, data analysis, interpretation, problem solving, troubleshooting to name a few. Tutorial hours in certain courses improve the problemsolving skills of students. Entire campus is WiFi enabled which promotes the habit of selflearning among the students. Each teacher maintains a teacher's dairy to keep track of completion of syllabus, revision, remedial coaching, extra lectures etc.
Examination and Evaluation		In autonomy with the continuous evaluation both for theory and practical, a detailed academic calendar has been prepared and displayed on institutional website. Students also are well informed so they can plan their vacations. It also allows family members to plan their family events. Teachers prepare teaching plan so as to ensure proper delivery of content to the learners. E resource has been made available to the learner to encourage self learning. In autonomy, 40 internal and 60 external pattern of evaluation is adopted. 40 internal evaluation include multiple choice questions, assignments, presentations, seminars, quiz, projects with focus on learner and 60 external evaluation by mean of subjective test. All question papers are displayed on website along with model answers. Statements of marks are

	displayed on college website, notice boards and student registered mobile numbers. "Open House "is held for every examination was students get an opportunity to see his/ her answered books and discuss question papers with their teachers. Results are declared within 30 days after the completion of the last examination. Several other remarkable reforms implemented at institutional level are : allotment of unique code to every students so that performance and individual student can be easily traces , masking of answer sheets for maintaining the confidentiality of the learner , moderation by external moderators, feedback from moderators for quality improvement , secured features on the mark list, extra credits on qualifying semester to students excelling well and dedicating appreciable amount of time in academic and nonacademic activities ,remedial learning for weak students.
Research and Development	The research committee chalks out programmes for motivating staff and students to undertake research projects. Guest speakers are invited who deliver lectures on frontiers in research in various subjects. Students and staff are encourage to present their work at various forums like seminars, conferences and research festival of affiliating University known as Avishkar. Online journals are subscribed and made available to researchers. The staff and students are provided with information on various funding agencies and the proposals are processed in time. The funds received are utilised properly and audited statement of accounts are submitted to funding agencies every year. All infrastructural facilities are provided to encourage research.
Library, ICT and Physical Infrastructure / Instrumentation	There is regular up gradation of infrastructure. All facilities are maintained through annual maintenance contracts given to various agencies. In house engineers, carpenters, electrician, mason, plumbers ensure that any wear and tear is taken care of immediately. The laboratories are upgraded and instruments are purchased in keeping with the requirements of the learners. The class rooms have been made ICT enabled. Computers are

	upgraded regularly. Licensed softwares are procured as per requirements of the departments.
Human Resource Management	The recruitment process is as per the guidelines of UGC , affiliating University and State Government. A congenial atmosphere is provided to all the employees so attrition is minimum. Vacant positions are filled by contractual appointments made by the management so smooth functioning of the Institution is not hampered. There are adequate welfare measures for all. A transparent mechanism exists so all are aware of their duties and responsibilities
Industry Interaction / Collaboration	Departments are encouraged to interact with industries and collaborate with industry and other Institutions for sharing of expertise and facilities. Formal MoUs have also been signed for skill enhancement programs, research, workshops to name a few.
Admission of Students	The admission process is notified through prospectus and website. These are as per the norms of the affiliating University wherein our own in house students (who have passed H.Sc from our college) are given admission and remaining seats are allotted as per merit. Student enrolment is online. The schedule for admission to the first year degree college is notified by the Univeristy.

6.2.2 – Implementation of e-governance in areas of operations:

E-governace area	Details
Planning and Development	The academic calendar is available on the website to chalk out the teaching plan, examinations, evaluation and outcome of it. Student and teacher attendance is by a digital mode.
Administration	Through indigenous software

7.3 – Institutional Distinctiveness

7.3.1 – Provide the details of the performance of the institution in one area distinctive to its vision, priority and thrust in not more than 500 words

Developing Resiliency Skills On the auspicious day of Shri Krishna Janamashtmi 15th August, 1938 the people of Ghatkopar and the surrounding suburbs witnessed the birth of the Hindi Vidya Prachar Samiti a brain child of a visionary Shri Nand Kishor Singh Jairamji, a postman attached to the Ghatkopar post office. In the silver jubilee year of the Samiti, The Ramniranjan Jhunjhunwala College was established both due to the untiring support of common citizens and the munificent donation received from Shri Ramniranjan Jhunjhunwala Trust. The mission of the college is "Knowledge is Ambrosia" academic excellence with character development . The mission is imbibed in our logo which reflects our core values. The ' Nib' symbolizes the strength of wisdom leading to the nation development and nurturing of global competencies the 'musical note' for appreciating the finer things in life the 'Knight' stands for all round progress not with standing obstacles and the "drop of blood' for compassion and sacrifice. NAAC accreditation and ISO certification, awards for excellence in different spheres are an indicator for our concern for quality and quality sustenance in our quest for excellence. The college is situated opposite Ghatkopar Railway station the local train station the life line of Mumbai which provides transport at very reasonable rate and for girl students it is free. This is an advantage for the students coming from the marginalized section of the society who travel all the way from Badlapur on central line and Vasai on Western line in search of a institution which provides quality education and is a home away from home. The Management, teaching staff and supporting staff work in unity to achieve our objectives of building a knowledgeable society by effectively blending quality teaching, research, employability and entrepreneurship. We all are trained to perform best in all situations and adapt to any situation know as the spirit of RJites. Winston Churchill said "Success is the ability to go from one failure to another with no loss of enthusiasm" our mission statement is Enthusiasm is the propelling force behind our success. Paucity of space has not deterred us from providing the best

facilities to our learners. Our vision to empower students through learning and research is achieved by being focused on teaching to a highly diversified student population who are coming from challenging backgrounds of being first generation learners, staying in small accommodations often shared with poor essential facilities. All are provided guidance by the best teachers who are very empathetic and compassionate. Students are encouraged to hone their skills since we firmly believe that each learner has a different type of skill set which needs to be kindled. We maximize on academic skills, social skills, athletic skills and entrepreneurial skills of our students. Students are encouraged by providing them with adequate opportunities at all forums and appreciating them for their efforts. Empowering students by providing them with all possible opportunities in various field. Wide range of extension activities through NSS, NCC, Life long learning and Rotaract club. Encouraging
