Following business was transacted in the meeting:
1. Review of First term 2019-20 was undertaken.
Discussion on various activities of the 2nd term was held.

2. Potential learning outcomes

a. Critical thinking & analytical reasoning it can be tested by keeping a small test for the students on implications of the policies.

b. Test the outcomes on the basis of Likert scale & ~~the~~ test the level of outcomes for each class by giving a test to the students & from their scores we can make an actual assessment of the realisation of potential outcomes

c. Reflective thinking - We can give a test to the students after the topic to assess their reflective thinking.

d. Students' feedback on the outcomes can be judged → Feedback for the syllabus for the Dept of Economics to be taken separately.

e. Competence in various areas can be tested by either survey or other methods as per suggestions of UGC. Accordingly Learning-Teaching outcomes can be modified.
