## COLLEGE CALENDAR 2022-23 ODD SEMESTER

The new academic year 2022-2023 is starting with a positive note that post Covid-19 pandemic, the on campus activities of Teaching, Learning, Evaluation will reconnect students with their teachers. The joy of learning by doing will set the ball on the roll and the life on campus would be restored to its past glitter and glory. The co-curricular, extra-curricular and social outreach activities launched from the platform of the college will be involving student participation beyond classroom and beyond campus, thus helping in fulfilling societal obligation and character building of the student. We hope the new academic year 2022-2023 brings back this joy of learning together and evolving at the same time.
