NEED AND RELEVANCE OF PROFESSIONAL ETHICS

A professional code of Ethics offers a set of guidelines to teams or organizations which can be used to make appropriate and just decisions at work place. Setting a professional code of Ethics provide a road map to approach and deal with problems in a morally and socially acceptable manner thereby imbibing honesty and integrity in the institutional ethos and work culture leading to a healthier work environment. Such code helps outline the mission and values of an organization and provides the groundwork for a preemptive warning in case of deviance/ non -compliance. Teachers as professionals engaged in the teaching learning process are required to show impartiality, integrity and ethical behavior in the classroom and in their conduct with parents and colleagues.

Institutional Ethics- Every organization must maintain a moral profile to gain credibility in the eyes of the stakeholders and build a good institutional image . Ethical conduct is to be practiced in all facets of the institutional operations and activities, policy decision making, implementation, and follow up .It is not only necessary to frame ethical standards but also to ensure that the standards and benchmarks set are followed in letter and spirit.

In an educational institution, Ethical behavior and conduct are to be followed by all the participants in the teaching – learning- evaluation process. Ethical dimensions of an Educational Institution can not be ignored and it has a significant impact on society at large.

Professional Ethics- Ethics is the discipline concerned with what is good and bad, morally right and wrong. Every profession has their own code of Ethics and Professional Ethics encompasses the personal and corporate standards of behavior expected by professionals .

Institutional Ethics - The Ethics are the guidelines which can be referred to by the stakeholders of an educational institution – students, teachers, management, parents and society in general.

Ethical guidelines are applicable to

- Top Management (Governing body)
- Principal and Team
- Teachers
- Students/ learners
- Non- teaching and support staff

Role of Ethics committee in an educational Institution-

- Identifying and Understanding Ethics relevant for the institutional activities
- Establishing standards / acceptable benchmarks
- Framing ethical policies and also whistle blower policies to report deviations
- Consultation
- Education and creating awareness
- Mediation
- Review of policies or practices

Areas for Ethical applications-

- Day to day administration
- Teaching – learning-Evaluation
- Research and Project consultancy
- Professional conduct

Role of Institutional Ethical Committee / Ethical Review Board –

- Establishing procedures to deal with ethical deviations / professional misconduct
- Assist the Unfair means Committee to investigate into reported cases of academic dishonesty during examinations
- Support the Vigilance squad to maintain overall dignity, discipline and decorum of the institution
- To ensure protection and safety of whistle blowers and acknowledge their contribution in maintaining the ethical standards

GENERAL PRINCIPLES OF PROFESSIONAL ETHICS

II) CODE OF CONDUCT FOR STUDENTS

STATEMENT OF PURPOSE IN DESIGNING A CODE OF CONDUCT FOR STUDENTS-

TO DESIGN A CODE OF CONDUCT AND FRAME A POLICY DOCUMENT ,CREATE AWARENESS , GUIDE STUDENTS AND ENCOURAGE THEM TO ADOPT AND IMBIBE GOOD BEHAVIOURAL NORMS THEREBY SETTING STANDARDS OF EXPECTED AND ACCEPTABLE PERSONAL CONDUCT IN AN EDUCATIONAL INSTITUTION WHICH CAN ACT AS A ROAD MAP IN THE DEVELOPMENT OF ETHICALLY SENSITIVE AND RESPONSIBLE PERSONS WHO CAN POSITIVELY CONTRIBUTE TO THE SOCIETY AND NATION .

APPLICABILITY

The Code of Conduct for students is mandatory and binding on all students who have enrolled for various UG/PG programme and applicable from the academic year 2021-22. The competent authority may revisit and revise rules as deemed necessary . On revision , the old rules will stand cancelled and the new rules framed will be applicable from the date of drafting the rules with prospective effect. On taking admission, it is presumed that the student has read and understood the code of conduct and undertake to abide by it failing which disciplinary action against him/her for misconduct or non-compliance may be taken by the competent authority as deemed fit .Ignorance of this code of conduct cannot be considered as a sufficient ground to condone misconduct/non- compliance.

NEED AND RELEVANCE TO INSTITUTION AND SOCIETY

Students are adults and must abide by and adhere to socially acceptable adult behavior. A Code of Conduct defines boundaries of acceptable behavioural norms and clarifies an organisation's mission values and principles linking them with standards of professional conduct. College is an institution of higher learning and it is necessary to maintain a climate of respect, sensitivity and courtesy. This code of conduct has been framed and implemented to create awareness amongst students about appropriate behavior at college, ensure a better teaching learning experience and to uphold the sanctity and respect
